Sprint Visitor

This simple, elegantly proportioned, contemporary cantilever visitor chair is a valued part of the range. Its styling follows that of the Sprint task chair with beautifully detailed upholstery and deep cushioning. It delivers instant visual appeal and lives up to its promise in terms of comfort.

It has established itself as a general purpose meeting and guest chair and its scale and comfort mean it can be specified freely with confidence around the workplace environment.

Standard Features (*Selected models only)

Stacks upto 3 high
Tubular steel cantilever frame
Soft touch arm pads

Optional Features

Plastic glides
Plastic glides with felt
Two-tone upholstery

Material Content

Components are constructed of the following

Recycled Content

Contains up to 30.5% of Recycled Material

Recyclability

The range is 100% recyclable

100%

SENATOR 3 R'S

Senator is committed to continually improving the sustainability of all environmental aspects within our business.

To meet both international standards and our own environmental targets we apply the three R's principle

-Reduce, Reuse and Recycle.

Whilst recycling is the element which receives the most exposure it is actually

the last option available and should never be the prime target in anyone's battle to reduce waste.

It is our duty as individuals and as a company to initially attempt to **Reduce** usage. Then we should look to **Reuse** wherever possible and finally, only after these two processes have been exhausted, should we consider **Recycling**.

-Reduce
-Reuse
-Recycle
